Dear Dean,

I wanted to just take the time today to say thank you for supplying the lights for my daughter's birthday party at Dural Memorial Hall on Saturday night.

The lights were beyond my expectations and all the kids commented on how fantastic they were and how much they added to the atmosphere of the party.

I also very much appreciate your professionalism from the start of contact, through delivery, setup and pickup and would not hesitate in recommending you to anyone.
Please accept my sincere thanks.

Kind Regards,
Sue Griffiths

PS Anytime you want to use me as a reference I would be more than happy.
